What is Preschool Camp?

Activities are provided every Friday (except July 4th week camp will be held on July 2nd) from 9-11am. Each day has its own special theme and provides your camper with the experience of making new friends, developing new skills, learning core values, building self-confidence and growing in self-reliance.

Membership for all:

It is part of Bluffton Family Recreation mission that we are here for all. We provide financial assistance to individuals and families who might not otherwise be able to afford membership. Ask a staff member about financial assistance. It is easy to apply and BFR does everything we can to make membership for everyone.

Refund/Transfer Policy:

We do understand that children's lives are busy and illnesses do occur. Registration deadlines and payments for traditional camp are always the Friday before the camp starts. If on Monday your child is unable to attend camp for that week we can transfer the funds to another week. However, there is a \$10 fee that will be kept by BFR to cover the cost of equipment that has been purchased for your child. All transfers and refunds must be approved by Daniel Tinch.
